*Vollaggio e potenze a richiesta. Voltage and Power upon Request. Voltaggio e potenze a richiesta.

ACCESSORI:

Battuta regolabile
2 Rulliere laterali
Chiavi di servizio

ACCESSORIES:

1 stop
2 roller side tables
1 battery laser pointer 1mW
set of servicing wrenches

ACCESSOIRES:

adjustable stop
2 rollers side table
Set of service wrenches

OPZIONALI:

Testa con foretto

OPTIONALS:

Cutting blade
Drilling Unit

EN OPTION:

Drilling machine

Scorpione è una intestatrice per il taglio di lastre di marmo e granito in elementi di lunghezza ridotta o prestabilita. Il piano di lavoro a rulli è dotato di battuta di arresto per il taglio dei pezzi alla misura voluta. Il gruppo di taglio, scorre su speciali guide a cuneo in acciaio fresato, lungo l'asse di taglio, mentre per l'asse verticale scorre su alberi cromati e rettificati di grosso diametro, tutti i movimenti sono a comando manuale o automatico.

I dati tecnici sono indicativi. La ditta costruttrice si riserva di apportare eventuali modifiche senza preavviso.

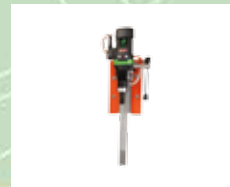

Scorpione is a squaring for cutting slab of marble and granite into elements of reduced length or predetermined. The work roller is equipped with stop for cutting the pieces to the extent desired. The cutting unit, slides on special guides wedge milled steel, along the cutting axis, while the vertical axis slides on chromed shafts and ground of large diameter, all the movements are manually or automatic operated.

The above technical data are informative only and are in no way binding. The manufacturer reserves the right to modify machine without prior notice.

Scorpione est un sectionneur pour couper des plaques de marbre et de granit en éléments de longueur réduite ou prédéterminée. Le plan de travail à rouleaux est équipé de butée d'arrêt pour le coupe des pièces dans la mesure souhaitée. L'unité de coupe s'écoule sur des guides spéciales à coin en acier fraisé, le long de l'axe de coupe, tandis que pour l'axe vertical s'écoule sur les arbres chromés et rectifiés de grand diamètre. Tous les mouvements sont à commande manuelle ou automatique.

La maison Nuova Mondial Mec srl se réserve le droit d'apporter des modifications par suit d'exigences techniques.
